DESCRIPTION OF MAJOR SERVICES

The Community Development and Housing Department (CDH), formerly Economic and Community Development Department, is responsible for administering federal, state, and local grant funds allocated to the County of San Bernardino for housing, and community development programs. Federal funds comprise a large percentage of the total monies included in the department's budget through the Community Development Block Grant (CDBG), the Emergency Shelter Grant (ESG), the Home Investment Partnership Act Grant (HOME), the Neighborhood Initiative Grant (NI) and the Economic Development Initiative Program (EDI) Grant. In addition, the department has received and will administer a United States Department of Agriculture Forest Service grant for Southern California Drought Assistance.

In accordance with Section 29009 of the State Government Code, the entire unreserved fund balance must be appropriated each year. Accordingly, actual expenditures in this fund are typically less than budgeted. Most of CDH's revenue is from federally funded grants that are for longer than one year, thus revenue is under realized for each individual fiscal year, but totally realized over the period of the grants. The amount not expended is carried over to the subsequent year's budget.
